State

Campaign for a Healthy California: <http://www.healthycaliforniacampaign.org>

Campaign for a Healthy California's mission is to build and broaden a grassroots movement to replace private health insurance with guaranteed healthcare for all Californians.

California Health Professional Student Alliance: <http://www.cahpsa.org>

The California Health Professional Student Alliance is a statewide student-run organization comprised of 5,000 health professional students and campus chapters across the state that advocate for healthcare justice for all Californians and work to establish a universal, comprehensive, and affordable healthcare system.

California OneCare: <http://www.californiaonecare.org>

California OneCare is an online organizing network that exists to activate and empower people into a grassroots and netroots movement for universal healthcare in California.

Health Care for All – California: <http://www.healthcareforall.org>

Health Care for All - California is dedicated to achieving a universal healthcare system through single payer public financing, with the goal that all California residents have access to comprehensive, high quality healthcare.

Health Access California: <http://www.health-access.org>

Health Access California's goal is quality, affordable healthcare for all Californians. Its mission is to preserve access to care, protect consumers, and to expand coverage and win comprehensive healthcare reform.

Health4All Coalition: <http://www.facebook.com/Health4AllCoalition>

Health4All is a coalition of advocacy groups, community organizations, and other partners statewide in California supporting the Health for All Act.

National

Labor Campaign for Single Payer: <http://www.laborforsinglepayer.org>

Labor Campaign for Single Payer's purpose is to increase and coordinate grassroots labor support for a single payer, Medicare for All healthcare system in the U.S., believing that healthcare is a fundamental human right and that the labor movement must take the lead in the fight for healthcare justice.

Physicians for a National Health Program: <http://www.pnhp.org>

Physicians for a National Health Program is a non-profit research and education organization of 20,000 physicians, medical students, and health professionals who support single payer national health insurance.

Healthcare-NOW!: <http://www.healthcare-now.org>

Healthcare-NOW!'s mission is to win a national single payer healthcare system, because access to healthcare is basic to human dignity.
